

Seasons Greetings!!

Hello and greetings from Boulder Hot Springs. I want to take this opportunity to thank you for your patronage and support of Boulder Hot Springs throughout 2007 and the previous years. This past year was a full and delightful year for us. We had a lot of fun with all the different groups that came here to have meetings, retreats and conferences. We also enjoyed having the family reunions, wedding, birthday and anniversary celebrations here. And we are ever grateful to serve our overnight guests staying in our B&B rooms and guest rooms, and our day use customers. Thank you all so much. We hope to see you throughout 2008 too.

This past year we were able to do some more restoration work and I feel very excited about our ongoing efforts to restore this beautiful, history-rich building to its former grandeur. Work was done in 2007 in the west wing dining room and lobby. The ceilings were repaired and we were able to put up the original light fixtures and covers from the 1910's. We hope to have more special occasion celebrations in these elegant spaces. And the restoration continues...

I wish you and your families peace and joy throughout the Holiday Season and the coming new year.

All the best to you,
Kerri Kumasaka

THE ARTS AT BOULDER HOT SPRINGS

ARTIST DISPLAY WITH LINDA NAYLOR

JANUARY 10 THRU MARCH 10, 2008 WITH ARTIST RECEPTION ON
JANUARY 20 FROM NOON TILL 2:00 PM

Linda Naylor is an award winning watercolor artist. She is best known for her dynamic use of color in her landscape paintings, her luminous floral paintings, and her sensitive approach to painting portraits of both people and animals. Her work can be found in many private and corporate collections, including that of Colorado State University in Fort Collins, Colorado. Most recently, one of her original floral watercolors was donated by Lieutenant Governor John Bolinger of Montana in memory of his late wife to the Oncology Department of St. Peter's Hospital in Helena Montana.

Linda is an active member of the Colorado Watercolor Society and has earned Signature Status within that organization for the many juried art shows where her work has been accepted. She is also a member of the Heritage Fine Arts Guild and the Paint Box Guild.

Her work was awarded "Best of Show" at the Botanical Gardens Art Show of the Colorado Watercolor Society in Denver, Colorado. Her work has also won various awards from the Colorado Bowhunters Association for her wildlife paintings displayed and donated at their annual banquets.

They will exhibit paintings using water color, oils, pastels, and tempera paint, linoleum prints, drawings using charcoal, pencil, ink, colored pencil and markers.

They hope you will enjoy viewing their artwork as much as they enjoy exhibiting at Boulder Hot Springs.
